

## **Volunteer Trustees needed**

**Are you a person of vision?  
Do you think you could help lead a vital  
organisation?**

***If you are creative, strong and want to be part of a force  
for change in your local community...***

Wansdyke Play Association is a small dynamic voluntary sector organisation which has been delivering Holiday Play Schemes, Community Play Ranger sessions, Community Play sessions and a number of other projects and workshops since 1993. We promote and provide high quality play opportunities that inspire, challenge and empower children, young people and communities to affect positive change.

We have recently attracted Reaching Communities Lottery funding which has given us the opportunity to expand our team and work into Frome, Midsomer Norton and Radstock. Here WPA will work with local people to empower them to change their communities through the setting up of play provision.

We are looking for energetic people to steer the organisation through these exciting times. This is a real opportunity to make a difference in our local community and we need strong leaders to take us there.

If you are interested in being part of a force that stimulates progress in your local community, then please contact Kate Hellard on 07971 481140 ([manager@wpa-play.com](mailto:manager@wpa-play.com)) or Phil Birch on 07772 766086 ([phil@wpa-play.com](mailto:phil@wpa-play.com)) for an informal discussion.
