Streetlights

The Parish Council is upgraded approx 130 old style streetlights to LED in 2019.

There has been some failures with these new lights which are being resolved under warranty.

Streetlight faults

The streetlights that are not coming on at night are being dealt with as a priority; those that are day burning will be dealt with next. We have replaced six of the failures, the next batch are due in April.

Councillor Surgeries

Councillor surgeries have continued through lockdown. They are either held socially distanced at Beacon Hall or online. It is likely both options will continue to be provided in the future.

Tree Planting Project

The Parish Council appointed a Tree Planting Advisory Panel to roll out tree planting across the Parish Council maintained sites as part of our Tree Charter Branch status.

This year tree planting took place on Beacon Field....

... And the Recreation Ground.

The planting was undertaken by Councillors and members of Peasedown Environment Group.

This will become an annual activity.
