

Somer Valley Food Bank

Supported by the Trussell Trust

We operate out of four Distribution Centres

The Methodist Church, PSJ (Friday)

The Salvation Army, MSN (Monday)

St. Nicholas Church, Radstock (Wednesday)

The Methodist Church, Paulton (Wednesday)

Our most local Distribution Centre is operated at the Peasedown Methodist Church (Fridays)

- **Having put in place, Covid19 safe procedures at our Distribution Centres and our Warehouse, Somer Valley Food Bank, run under the auspices of St. Johns Church, Peasedown St. John, has continued to provide food and support for local folks, through our Distribution Centres, during the pandemic.**

Somer Valley Food Bank would like to thank all those folk in the village, who have donated to us and all those volunteers, who have been active members of the operation in Peasedown and the surrounding area. Our local Churches, Paulton Tesco and many local businesses have been especially generous in their collections and donations during the pandemic.

Nationally, Tesco have donated a very significant amount of food to Trussell Trust Food Banks and our assignment was delivered to our Warehouse by British Gas vehicles on a weekly basis. We have also received generous donations of chocolate, including Easter Eggs from Cadbury.
