

A big thank you from us for the grant you gave the play area!

The interactive play area at the Hive  
combines sensory, educational and  
imaginative play to engage little brains

It has a floor level roundabout  
and Hive shaped Wendy house

# A wobbly slide and bubble tube

# A bee - shaped ball feeder

*A see-saw*

You can sit and relax while the children play safely

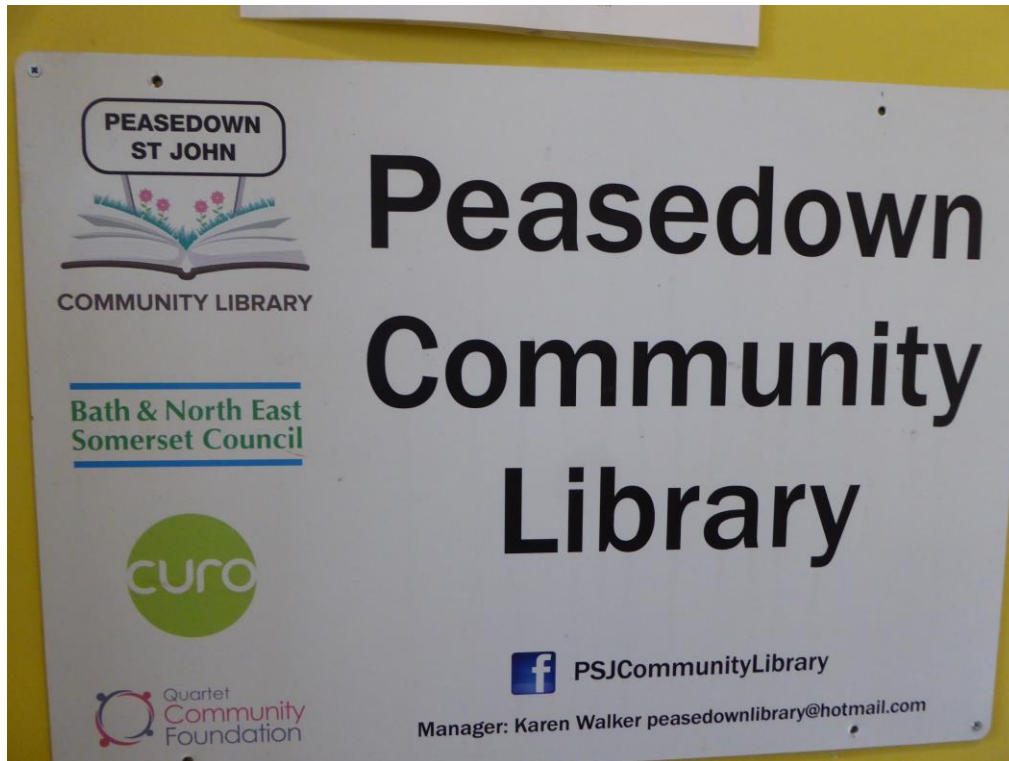

# Enjoy SWALLOW café's delicious cakes and coffee

# Go to the post office and library

And, best of all,  
it is fully  
accessible  
so everyone  
can enjoy it
