- Before the pandemic I supported and funded the community by running monthly free social evenings of dance with food/drink and raffle prizes at Beacon Hall. I was financially unable to do this for a while because I had no income and been out of work for the past 12 months.
- This Grant has helped to relieve financial hardship, not only for me but also amongst some of the community who came along to enjoy 2 free evenings of dance with food/drink and raffle prizes at Beacon Hall.
- Funding this activity benefited the wellbeing of the community, enhancing a sense of purpose and self-esteem, improving their confidence, happiness and satisfaction.

My vision and drive is to enable the community to share opportunities to meet new people, enjoy and have a fun time in a safe and relaxing atmosphere.

The free socials have been a great success for the community and I intend to continue with them on the first Friday of every month during 2022.

Come along and enjoy an evening of fun, laughter and dancing. No partner or experience needed. I can teach you some easy dance routines.
